

3rd EuCheMS Chemistry Congress 2010

SUNDAY, 29 AUGUST 2010																										
Room	8.30	9.00	9.30	10.00	10.30	11.00	11.30	12.00	12.30	13.00	13.30	14.00	14.30	15.00	15.30	16.00	16.30	17.00	17.30	18.00	18.30	19.00	19.30	20.00		
Frankenhalle																Opening Ceremony incl. The European Sustainable Chemistry Award Ceremony	Plenary Lecture: Imperiali		Plenary Lecture: Müllen	Welcome Reception						

MONDAY, 30 AUGUST 2010																								
Room	8.30	9.00	9.30	10.00	10.30	11.00	11.30	12.00	12.30	13.00	13.30	14.00	14.30	15.00	15.30	16.00	16.30	17.00	17.30	18.00	18.30	19.00	19.30	20.00
CCN Mitte, Saal München			Coffee Break	Innovative Materials Polymer Sciences				Lunch Break Poster and Exhibition Vendor Seminars	Innovative Materials Polymer Sciences				Coffee Break	Innovative Materials Polymer Sciences				Congress Concert						
CCN Mitte, Saal Athen				Resources and Environment Energy Research					Resources and Environment Energy Research					Resources and Environment Energy Research										
CCN West, Saal Paris				Supramolecular Systems Molecular Recognition in Chemical and Biological Systems					Supramolecular Systems Molecular Recognition in Chemical and Biological Systems					Supramolecular Systems Molecular Recognition in Chemical and Biological Systems										
CCN Mitte, Saal Brüssel				Catalysis Catalysis in Organic Transformations					Catalysis Catalysis in Organic Transformations					Catalysis Catalysis in Organic Transformations										
CCN Mitte, Saal Mailand				Molecular Life Sciences Biostructure, -polymers and Their Conjugates					Molecular Life Sciences Biostructure, -polymers and Their Conjugates					Molecular Life Sciences Biostructure, -polymers and Their Conjugates										
CCN West, Saal Amsterdam				Analysis, Manipulation and Simulation Spectroscopies for the Future					Analysis, Manipulation and Simulation Spectroscopies for the Future					Jam Session Molecular Transformations I										
Frankenhalle	Plenary Lecture: Grätzel		Advances in Organic and Inorganic Chemistry Physical Organic and Inorganic Chemistry				Advances in Organic and Inorganic Chemistry Physical Organic and Inorganic Chemistry				Advances in Organic and Inorganic Chemistry Physical Organic and Inorganic Chemistry													
CCN West, Saal London				Winners' symposium: Reaxys PhD Prize															Career Days (EYCN, GDCh Career Service)					
CCN Mitte, Saal Lissabon																Chemistry Funding in Europe (DFG)								

3rd EuCheMS Chemistry Congress 2010

WEDNESDAY, 1 SEPTEMBER 2010																										
Room	8.30	9.00	9.30	10.00	10.30	11.00	11.30	12.00	12.30	13.00	13.30	14.00	14.30	15.00	15.30	16.00	16.30	17.00	17.30	18.00	18.30	19.00	19.30	20.00		
CCN Mitte, Saal München			Coffee Break	Innovative Materials Molecular Materials				Lunch Break Poster and Exhibition Vendor Seminars GDCh General Assembly			Innovative Materials Nanoparticles				Coffee Break	Innovative Materials Nanoparticles							Congress Party			
CCN Mitte, Saal Athen				Resources and Environment Environmental Analytical Sciences														Resources and Environment Water and Food for an Increasing Popu- lation								
CCN West, Saal Paris				Supramolecular Systems Self Assembly														Supramolecular Systems Self Assembly								
CCN Mitte, Saal Brüssel				Catalysis Metal Catalysis									Catalysis Metal Catalysis						Catalysis Metal Catalysis							
CCN Mitte, Saal Lissabon				Molecular Life Sciences Biocatalysis and Biomaterials									Molecular Life Sciences Biocatalysis and Biomaterials						Molecular Life Sciences Biocatalysis and Biomaterials							
CCN Mitte, Saal Mailand				Molecular Life Sciences Medicinal Chemistry									Jam Session Molecular Transformations III						Jam Session Molecular Transformations IV							
CCN West, Saal Amsterdam				Analysis, Manipulation and Simulation Spectroscopies for the Future																						
Frankenhalle		Plenary Lecture: Latos-Grazynski			Advances in Organic and Inorganic Chemistry Advances in Inorganic Synthesis														Advances in Organic and Inorganic Chemistry Advances in Organic Synthesis							
CCN Mitte, Saal Athen											Highlights in Nuclear Chemistry (EuCheMS Division)															
CCN West, Saal Paris											Mechanisms in Disease Development (EuCheMS Division)															
CCN West, Saal Amsterdam											Clinical Chemistry between Analytical Chemical and Laboratory Medicine (DGKL)															
Frankenhalle											Highlights in Inorganic Chemistry (EuCheMS Division)															
CCN West, Saal Dublin											Highlights in Physical Chemistry and Foundation of a EuCheMS Physical Chemistry Division															
CCN West, Saal London				Finalists' symposium: European Young Chemists Award																						

3rd EuCheMS Chemistry Congress 2010

THURSDAY, 2 SEPTEMBER 2010																								
Room	8.30	9.00	9.30	10.00	10.30	11.00	11.30	12.00	12.30	13.00	13.30	14.00	14.30	15.00	15.30	16.00	16.30	17.00	17.30	18.00	18.30	19.00	19.30	20.00
CCN Mitte, Saal München			Coffee Break	Innovative Materials Nanoparticles				Lunch Break Poster and Exhibition Vendor Seminars	Innovative Materials Nanoparticles				Coffee Break	Innovative Materials Nanoparticles										
CCN Mitte, Saal Athen				Resources and Environment Water and Food for an Increasing Population					Resources and Environment Water and Food for an Increasing Population					Resources and Environment Water and Food for an Increasing Population										
CCN West, Saal Paris				Supramolecular Systems Chemical Biology					Supramolecular Systems Chemical Biology					Supramolecular Systems Chemical Biology										
CCN Mitte, Saal Brüssel				Catalysis Heterogeneous Catalysis					Catalysis Heterogeneous Catalysis					Catalysis Heterogeneous Catalysis										
CCN Mitte, Saal Mailand				Jam Session Molecular Transformations V					Molecular Life Sciences Impact of Analytical Chemistry in Life/Bio Sciences					Molecular Life Sciences Impact of Analytical Chemistry in Life/Bio Sciences										
CCN West, Saal Amsterdam				Analysis, Manipulation and Simulation New Developments in Theory					Analysis, Manipulation and Simulation New Developments in Theory					Analysis, Manipulation and Simulation New Developments in Theory										
Frankenhalle	Plenary Lecture: Jortner			Advances in Organic and Inorganic Chemistry Advances in Organic Synthesis					Advances in Organic and Inorganic Chemistry Advances in Organic Synthesis					Advances in Organic and Inorganic Chemistry Advances in Organic Synthesis				Closing Ceremony		Reception: Invitation to Prague 2012				
CCN West, Saal London				Highlights in Organic Stereochemistry (EuCheMS Division)																				
CCN Mitte, Saal Lissabon	Working Day Devoted to Professional Chemists
